

Legacy Giving

“Endowing Your Values Today to
‘Make A Difference’
for Tomorrow...”

An unrestricted gift will be allocated by the Legacy Committee among the following options:

The Building Fund receives gifts that will be used to fund capital expenditures of the church, including new construction, maintenance, enhancements, and mortgage reduction.

The Endowment Fund receives gifts that will be invested to fund new and existing church programs or the operating budget of the church. A percentage of the annual earnings in the Endowed Fund are distributed each year.

Or, you may give a restricted gift for a specific area of your interest

All of the above options are different from the annual pledge campaign which requests funds for the yearly operating budget and building fund, which at this time is used for mortgage reduction.
